FOOD SAFE CERTIFICATION EU 1935/2004

LAURAMID® FS AND FS/BLUE

EU-Certificate of Conformity for contact with food for materials Lauramid® FS und FS/blue

Both materials are approved for components in direct food contact.

Lauramid® FS andFS/blue are both approved for direct food contact in accordance with EU-Standard 1935/2004 and according to the German law code for food, consumer goods and animal food.

The tests on Lauramid® FS and FS/blue were made by an independent institute. The results are documented in Certificate of Conformity (Certificate-No.: CON 4832/2015). The tests were executed in compliance with EU-Norm 10/2011. The color of Lauramid® FS/blue can vary between the colors RAL 5015 and 5017.
